Dear friend of the community,

As the 2016-17 football season approaches the Titan Football Team at St. Bernard-Elmwood Place High School is in desperate need of new uniforms. The Titans will be entering into their 6th year of existence after a fifty plus year absence of football. The uniforms that are currently being used by the school have seen better days. Through five seasons of play the uniforms have seen a lot of action, from the first win since beginning in 2013 to our most successful season in 2015 with a record of 4-6. In order to keep the program growing and moving in the right direction, these new uniforms are vital. Our athletes have been working hard all season long and have continued this work ethic into the off season, with participation in the off season weight lifting program at an all time high.

The goal of the administration and coaching staff is to reward our students for their hard work with brand new Russell Athletics football uniforms. Just like many other school districts the covering the cost of these uniforms can be difficult task to accomplish. Our program has selected a stock model uniform that will bring a sense of pride to the football players of St. Bernard-Elmwood Place. These athletes deserve to wear their uniforms with confidence and with these new uniforms that can be a reality. After months of researching uniforms and comparing prices of the different uniform models, the uniforms have been selected with the help of Capitol Varsity and their great program the dream of having new uniforms is one step closer to reality.

These new uniforms will cost \$10,000 dollars. That cost includes 50 new home and away football jerseys along with 50 pairs of new game pants. The Athletic Department at St. Bernard-Elmwood Place High School is seeking donations to help offset this cost. Donations can be made out to the St. Bernard-Elmwood Place High School Athletic Department.

Thank you,

Nick Wilson
