Keep a close eye on your mail to find out if you've been accepted into the program of your choice—this is a momentous step towards shaping your future career path!

Attention 8th Graders: Field Trip Alert!

As part of your Career Readiness class, we've arranged an insightful field trip to the Oaks later this month. This unique opportunity allows you to tour the campus and explore various career pathways. 8th graders, this is your chance to discover potential interests and set your goals for the future. Take note of any careers that pique your curiosity and start envisioning the exciting possibilities that lie ahead!

Parents, encourage your students to check their mail for those all-important acceptance letters, and 8th graders, get ready for an eye-opening field trip that could pave the way for your future success.
